Rutgers Fourth Annual K-12 Mega-Conference on Discrete Mathematics
Presentation Proposal Form

Name: (please print) __________________________ Year First Attended: ______

Daytime phone: __________________________ Evening phone: __________________________

Email address: (please print legibly) ___________________________________________

Check here if you read e-mail messages daily: ______

Would you like to make a presentation at the Mega-Conference on Saturday, December 8, 2001? ______

(Make copies of this form if you are proposing more than one presentation)

In general, please prepare your presentation for 20 minutes, followed by approximately 5-10 minutes for questions and discussion. Each room will have one overhead projector available for use. We are also able to provide an IBM computer and data projector for use during presentations at Rutgers. If you are interested in using this equipment, please call Bonnie to discuss set-up details by November 20, 2001.

Title of Proposed Presentation: ___________________________________________

Discrete Math Topic: ___________________________________________

This presentation will show ___________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Special equipment needed: ___________________________________________

Target Audience: (check all that apply) _____ K-3 teachers _____ 4-6 teachers

_____ 7-8 teachers _____ 9-12 teachers

Is this presentation part of your credit requirements? _____ Yes _____ No

Please return this form by November 20 with your registration to:
